Work in Our Schools

- System Wide
 - Lottery:
 - The lottery for our schools has begun. Open spots across grade levels have been offered and filled. Currently, we have 680 on our wait lists across the schools.

Innovation & Technology

- Printer Upgrades: Over the winter break we were able to successfully deploy new copiers for each of our schools. These new machines will allow for quicker and more efficient printing and copying. We were also able to deploy higher efficiency models in each school and add an additional machine for our elementary school helping to ease the print load on machines and assist with wait times.
- OtterCares: Our innovation and community outreach departments had the opportunity to attend an entrepreneurship and innovation showcase event with OtterCares. This event highlighted different ideas that representatives from Otterbox and OtterCares have been working to develop to promote entrepreneurship education in schools and create more effective tools for educators to receive support, education and resources for this important curriculum. Entrepreneurship education encourages students to form community connections, grow their critical thinking and problem-solving skills, and work collaboratively to solve real world problems. These are all valuable skills in the 21st century workplace! We are excited about the work that OtterCares is doing to help make entrepreneurship education more accessible in our community!

Safety:

- On January 22nd, parents were invited to attend an ALICE information and firearm safety night to learn more about safety in our schools and at home.
- Windsor Charter Academy will be hosting an ALICE instructor class at our schools on May 27th & 28th. Other schools and business are invited to attend.
- Our schools began working with district on School Safe grant. We began discussions on how we will organize scenarios and set dates to do tabletop discussions as schools in the spring.

Communications & Marketing:

- Prospective Parent Night: Last week we welcomed families into each of our three schools for Prospective Parent Night! This year, we revamped our PPN process to include increased efforts on Facebook regional marketing and increased efforts to make our current families aware of the registration process for middle and high school. We ran a WCA movie advertisement campaign at the Metrolux theater from Thanksgiving through New Years to capture our target audiences (families attending Frozen 2, Star Wars, etc.). In addition, we revamped our marketing material to make sure all of our folders, presentations, advertisements, and signage were consistent. Our nights were also well attended:
 - 68 elementary school families
 - 52 middle school families
 - 47 high school families

Overall, we received positive feedback from parents and families!

■ **The Firebird Word:** This week, we launched our new blog-style newsletter for each school called "The Firebird Word". The way our families engage is changing and we want to meet their needs. The benefits of having a web-based newsletter format include:

- Live and accurate information: Information in a newsletter is accurate as of the day it is sent. If we have a date change, a spelling error, or a cancelled event, we can easily update our website without having to send an email retraction.
- Easy social sharing: Our families are very active on our Facebook pages and our moderators like to share information from our school. This is often done through screenshots from our Thursday newsletters. Now, each news post has a unique URL that can be shared on Facebook in a seamless manner. This also creates consistency within the message.
- Archiving capabilities: Every news post can be archived.
 Once archived, the post can be found again with a simple search.
- Publicity: When a potential family is looking at our school, they can access our web-based newsletter to see all of the great activities we have going on without having to subscribe to our newsletter (if they have not been admitted).
- Letters: We have new letters for our letter jackets! K&W Printing worked with us through several design iterations of our letter. We will be distributing these new letters at our academic lettering ceremony later this month.

Facilities:

- The elementary school art room was painted and prepped for its future transformation. New flooring and lighting will be installed during Spring Break. Furniture quotes are being finalized and will be ordered and installed before the end of the year. Our fall Firebird Fun Run fundraising money was earmarked for this project.
- The middle and high school fencing project has been completed.
- The schools were deep cleaned, carpet cleaning, and painting touch-ups occurred during the holiday break.
- Elevator maintenance and HVAC maintenance was completed at the elementary school.
- The schools were prepared for three Parent Prospective Nights.
 Positive community comments were shared on the upkeep of our buildings!

• Elementary School

- Professional Development: On January 6th, the elementary school teachers participated in math data digs where they analyzed mid-year data and determined instructional groups based on ability.
- Prospective Parent Night: Our Prospective Parent Night was well-attended. Roughly 200+ parents attended. Childcare was provided to support parents as they toured our school.

• Middle School

 Sources of Strength: Administration have been working with Mrs. Ibarra to plan the Sources of Strength training that will kick off next month at the middle school. All staff have been introduced to the principles, vision and

- basic format of the program. Student participants and staff advisors have been selected.
- Mid-Year Reflections: Each teacher is currently meeting with administration to review their progress on their professional goals, progress on meeting the professional teaching standards and discuss additional supports they need as part of the mid-year review process.
- Prospective Parent Night: The middle school Prospective Parent Night was a huge success and well attended by student, families and teaching staff.
- Professional Development: January professional development was focused on our strategic pillars of instruction and culture / climate. Heather Bratton presented Love and Logic Module 6. Content teams of teachers presented how they implemented the AVID collaborative study group strategy throughout Quarter 2. Carrie Cross and Rachel Preece presented the AVID critical reading strategy, which is the Quarter 3 focus. Finally, teachers met in their data teams to analyze MAPS and other data from Semester 1.

• High School

- Winter Student Concerts/Spotlights: Our band, orchestra, choir students performed beautifully at our winter concerts in December. During these evenings, our art department hosted their annual art show in the media center and our Geometry students showcased their projects in the commons for parents to see. These were great opportunities for students to show off their hard work in the performing and visual arts as well as math.
- o **Professional Development:** Staff participated in professional development and continued to focus on AVID and Love & Logic.
- Sources of Strength: Our students took their first semester finals. During finals week, our Sources of Strength Peer Leaders organized "healthy activities" to help students manage their stress such as games during passing periods, naps after finals, guided mediation with Mr. Lorimer on the intercom, and healthy eating with PB&J sandwiches made by the staff. Mrs. Wrenn and Mrs. Trujillo also organized a "cocoa cram" and made hot chocolate for the students one morning.
- o **Parent Prospective Night:** We hosted out annual Prospective Parent Night and had a record number of students and parents attend. Both new and returning staff reported that they appreciated the information about our early college program as well as the transition to high school!
- 2020-2021 Registration: Our counseling and advising staff presented to all 8th—11th graders about course registration and students are working on getting registered for their courses for the 2020-21 school year.

Communications & Marketing

- Preparations are occurring for our Prospective Parent Nights in January! All of our marketing materials have been updated for this year. Our students were interviewed on Thursday, December 5th about their experience in their entrepreneurship class. Then, on Tuesday, December 17th, OtterCares will film the students' final presentation at the Windsor/Severance Fire Department. This is part of an ongoing relationship we are developing with OtterCares to showcase all of the activities we are doing in the areas of entrepreneurship and philanthropy. They have spent the last semester learning about how to design a business and write a successful business plan. On December 17th, these students will return to the fire department to present their final business plans. Representatives from OtterCares came to interview these students about their experience this semester and will be at their final presentations on the 17th to continue filming. These clips and interviews will be used for a short film that OtterCares is creating that highlights the impact of the entrepreneurial mindset in today's youth.

- Several of our high school students have qualified for All-State Choir. This is a huge accomplishment and has been one of Mr. Lighthall's goals since he started here.

EXPULSION

1. Definitions

- A. "Expulsion" means the exclusion of a student from attending school and participating in school activities for a specified period of time not to extend beyond one calendar year, unless student contact with the Windsor Charter Academy is otherwise authorized by the Executive Director.
- B. "Habitually Disruptive Student" means a student who three or more times during the school year has caused a material and substantial disruption in the classroom, while on Windsor Charter Academy property, at a school-sanctioned activity or event, or while being transported in a Windsor Charter Academy-approved vehicle.
- C. "Informal Hearing" means notice to the student of what he or she has been accused of doing and an opportunity for the student to explain his or her position regarding the incident constituting grounds for discipline. There need be no delay between the time notice is given and the time of the hearing. An informal hearing does not include representation by counsel, the ability to confront and cross-examine witnesses, or to call witnesses to verify the student's version of the incident.
- D. "Parent" means a student's parent, legal guardian, or legal custodian of students under 18 years of age; if the student is 18 years or older, it refers to the student.
- E. "Student with Disabilities" means a student for whom a determination of disability has been made by a properly constituted Individualized Education Plan (IEP) or 504 team in accordance with state and federal laws governing the education of children with disabilities.
- F. "Suspension" means the exclusion of a student from attending school and participating in school activities for a specified and limited period of time as set forth under "Suspension from School," below, unless student contact with Windsor Charter Academy is otherwise authorized by the Executive Director.

G. A "Classroom Suspension" means the exclusion of a student from the classroom by a teacher when the student has caused a material and substantial disruption.

2. Due Process Policy

It is the policy of the Executive Board to provide due process of law to students through written procedures consistent with law for the suspensions, expulsions and denials of admission.

In matters involving student misconduct that may or will result in the student's suspension and/or expulsion, the student's parent/guardian shall be notified and involved to the greatest possible extent in the disciplinary procedures.

Proportionate disciplinary interventions and consequences shall be imposed to address the student's misconduct and maintain a safe and supportive learning environment for students and staff.

The Executive Board and its designee(s) shall consider the following factors in determining whether to suspend or expel a student:

- 1. The student's age.
- 2. The student's disciplinary history.
- 3. The student's eligibility as a student with a disability.
- 4. The seriousness of the violation committed by the student.
- 5. The threat posed to any student or staff.
- 6. The likelihood that a lesser intervention would properly address the violation.

The Executive Board hereby directs the Executive Director to periodically review current procedures and develop new procedures for adoption by the Executive Board, if necessary, which are consistent with this policy. The Executive Board further directs the Executive Director to provide copies of the Windsor Charter Academy's Conduct and Discipline Code, as defined in Policy JICDA and JK, annually to each student and to post or keep on file copies of the Conduct and Discipline Code in each school at Windsor Charter Academy.

Other Disciplinary Interventions

In lieu of an out-of-school suspension or expulsion and in accordance with applicable law, the principal or designee may consider the use of available interventions to address the student's misconduct. The use of such interventions will vary, depending upon the facts and circumstances of an individual case. Such interventions shall be at the principal's or designee's sole discretion and include but are not limited to: detention, in-school suspension, counseling, positive behavioral intervention support program, peer mediation, referral to a juvenile assessment center for counseling or other services, or other approaches to address the student's misconduct that do not involve an out-of-school suspension or expulsion and minimize the student's exposure to the criminal and juvenile justice system.

As another intervention and alternative to suspension, the principals or designee may permit the student to remain in school with the consent of the student's teachers if the parent/guardian attends class with the student for a period of time specified by the principal or designee. If the parent/guardian does not agree or fails to attend class with the student, the student shall be suspended in accordance with the accompanying regulations.

This alternative to suspension shall not be used if expulsion proceedings have been or are about to be initiated or designee determines that the student's presence in school, even if accompanied by a parent/guardian, would be disruptive to the operations of the school or be detrimental to the learning environment.

Delegation of Authority

The Executive Board delegates to the Executive Director the power to suspend a student for not more than five school days on the grounds stated in C.R.S. 22-33-106 (1)(a), (1)(b), (1)(c) or (1)(e) or not more than 10 school days on the grounds stated in C.R.S. 22-33-106 (1)(d) unless expulsion is mandatory under law, but the total period of suspension shall not exceed 25 school days. The Executive Board delegates to the Executive Director the authority to suspend a student, in accordance with C.R.S. 22-33-105, for an additional 10 school days plus up to and including an additional 10 days necessary in order to present the matter to the Executive Board.

Unless otherwise determined by the Executive Board, the Executive Board delegates to the Executive Director the authority to deny admission to or expel for any period not extending beyond one year any student whom the Executive Director, in accordance with the limitations imposed by Title 22,

Article 33, of the Colorado Revised Statutes, shall determine does not qualify for admission to or continued attendance at Windsor Charter Academy. The Executive Director shall render a written opinion within five days after a hearing is conducted on the expulsion matter.

Expulsions will be reported to the Executive Board. Such denial of admission or expulsion by the Executive Director shall be subject to appeal to the Executive Board. The appeal shall consist of a review of the facts that were presented, arguments relating to the decision and questions of clarification from the Executive Board.

S. 18-3-204 if committed by an adult.

Commented [BDC1]: After a quick glance at JICDA, I don't think all of the items there constitute grounds for suspension or expulsion—at least for a single offense (i.e., violating dress code). We may want to visit that nolicy as well.

Expulsion for Unlawful Sexual Behavior or Crime of Violence

When a petition is filed in juvenile court or district court that alleges a student between the ages of 12 to 18 years has committed an offense that would constitute unlawful sexual behavior or a crime of violence if committed by an adult, basic identification information, as defined in state law, along with the details of the alleged delinquent act or offense, is required by law to be provided immediately to Windsor Charter Academy, in which the juvenile is enrolled.

This information shall be used by the Executive Director to determine whether the student has exhibited behavior that is detrimental to the safety, welfare, and morals of the other students or school personnel and whether educating the student in the school may disrupt the learning environment in the school, provide a negative example for other students, or create a dangerous and unsafe environment of students, teachers, and other school personnel. The Executive Director shall take appropriate disciplinary action, which may include suspension or expulsion, in accordance with this policy.

The Executive Board may determine to wait until the conclusion of court proceedings to consider expulsion, in which case it shall be the responsibility of Windsor Charter Academy to provide an alternative educational program for the student as specified in state law.

Policy JKD JKE-R

which the student was removed, the duration of the removal, and the basis for the removal as stated by the teacher. The notice shall provide an opportunity for the parent(s)/guardian(s) to attend a student teacher conference regarding the removal. If the student's removal from class is also subject to disciplinary action (i.e., suspension or expulsion) for the particular classroom misconduct, the parent(s)/guardian(s)shall also be notified of the disciplinary action in accordance with legal and policy requirements.

- ii. The teacher may develop a behavior plan approved by the principal after a student's first one-day classroom suspension during any grading term (quarter, trimester or semester) and shall develop a behavior plan approved by the principal after a student's second one-day classroom suspension during any grading term. The behavior plan shall indicate that upon the third removal from class during a grading period for causing a material and substantial disruption, a student may be officially removed from the teacher's class for the remainder of the grading term. The teacher shall provide a copy of the behavior plan, as well as a copy of each revision thereto, to the student and the student's parent(s)/guardian(s).
- iii. For any student removed from the classroom for the remainder of a grading term as provided in subparagraph ii. above, the teacher responsible for the removal shall provide the principal or designee with a lesson plan, assignments, other course work, quizzes, and exams for the remainder of the grading term so as to allow the student to complete and receive credit for the course. The principal shall be responsible for determining the appropriate educational placement of the student. The principal's decision regarding placement is final.
- iv. Classroom suspensions may count as suspensions for purposes of declaring a student as "habitually disruptive," in accordance with Windsor Charter Academy policy and regulations.
- v. A teacher's ability to impose classroom suspensions of special education students shall be subject to governing law and Windsor Charter Academy's policies and regulations concerning suspension/expulsion of students with disabilities.
- C. Removal from class under this policy does not prohibit Windsor Charter Academy from pursuing or implementing additional disciplinary measures, including but not limited to detentions, suspensions, or expulsions for the conduct or behavior for which the student was removed, in accordance

with Windsor Charter Academy policy concerning student suspensions, expulsions and other disciplinary interventions.

Crimes of Violence or Unlawful Sexual Behavior

When a petition is filed in juvenile court or district court that alleges a student between the ages of 12 to 18 years has committed an offense that would constitute a crime of violence or unlawful sexual behavior as defined by state law, if committed by an adult, the Executive Board or its designee shall determine whether the student has exhibited behavior that is detrimental to the safety, welfare, and morals of the other students or school personnel, and whether educating the student in the school may disrupt the learning environment, provide a negative example for other students, or create a dangerous and unsafe environment for students, teachers, and other school personnel.

If the Executive Board determines that the student should not be educated in the school, it will delegate the power to its Executive Director to work with the Superintendent in determining the appropriate disciplinary action, including instituting procedures to suspend or expel the student. Alternatively, Weld Re-4 District Windsor Charter Academy may delay consideration of the student's expulsion pending the outcome of the juvenile or district court proceedings, in which case it shall be the responsibility of the Windsor Charter Academy to provide the student with an appropriate alternative education program as specified in state law. Windsor Charter Academy may delay consideration of the student's suspension pending the outcome of the juvenile or district court proceedings, in which case it shall be the responsibility of the Windsor Charter Academy to provide the student with an appropriate alternative education program as specified in state law. The time that a student spends in an alternate education program shall not be considered a period of suspension or expulsion. If the student pleads quilty to the charge, is found quilty or is adjudicated a delinquent juvenile, the Weld Re-4 Board of Education Executive Board or designee may proceed to expel the student following the procedures set forth in these regulations.

Information regarding the details of the alleged crime of violence or unlawful sexual behavior will be used by the Weld Re-4 Board of Education Executive Board or its designee for the purposes set forth in this policy, but shall remain confidential unless the information is otherwise available to the public by law.

Students of Special Education Students

Any discipline of students identified as students with disabilities under the IDEA or Section 504 shall be conducted in accordance with the provisions of Policy JKB concerning the discipline of students with disabilities.

Communication of Disciplinary Information

The principal shall communicate discipline information concerning any student enrolled in the school to any teacher who has direct contact with the student in the classroom and to any counselor who has direct contact with the student. Any teacher or counselor who receives such information shall maintain the confidentiality of the information and does not have the authority to communicate the information to any other person. The student and his/her parent(s)/guardian(s) may challenge the accuracy of the disciplinary information by making a written request for review to the Executive Director or his/her designee.
