Said leave is not cumulative. Any portion of a day, up to and including one (1) full day with pay shall be allowed for death of a close friend or other relative/person not identified above. An employee may request additional leave not to exceed five (5) days. Such additional bereavement leave must be approved in advance by the Executive Director and such additional days shall be deducted from the employee's PTO leave account if available. 3. Paid Time Off (PTO) Leave

PTO leave allows continuation of full base pay plus benefits when an eligible staff member is required to be absent from work. PTO hours are awarded up front on the date of hire, or the first employment day each year.

PTO Leave Schedule for Full-Time Employees

Contract Days	PTO Leave
≤ 190	10 days
191-210	11 days
211-239	12 days
≥ 240	13 days

Unused PTO leave may be accumulated to the maximum of thirty (30) days for each employee. any part or all of which may be used during any given year, after the current year allocation has been used Days of PTO leave may be used without losing salary up to the maximum days of entitlement. When PTO leave is exhausted, the deduction for an approved absence will be based on the employee's current daily contract rate.

When PTO leave days exceeds four (4) consecutive working days in relation to a specific illness, a written report from the attending physician must be filed with the Executive Director confirming the need for additional days off the job for recovery because of abnormal and involuntary complications, so long as such documentation can be obtained in reasonable time and without added expense, otherwise the employee's signed certification may be requested. When the need for sick and safety leave is foreseeable, employees should make a good faith effort to provide advance notification and make a reasonable effort to schedule leave so as not to be unduly disruptive to their job requirements.

PTO may be used for the following "sick and safety leave" reasons, including other personal purposes not listed below.

- The employee has a mental of physical illness, injury, or health condition; needs a medical diagnosis, care or treatment related to such illness, injury or condition; or needs to obtain preventive medical care.
- The employee needs to care for a family member who has a mental
 of physical illness, injury, or health condition; needs a medical
 diagnosis, care, or treatment related to such illness, injury, or
 condition; or needs to obtain preventive medical care.
- The employee or family member has been the victim of domestic abuse, sexual assault, or harassment and needs to be absent from work for purposes related to such crime.
- A public official has ordered the closure of the school or place of care of the employee's child or of the employee's place of business due to a public health emergency, necessitating the employee's

absence from work.

During a Public Health Emergency, upon the date a public health emergency is declared a full-time employee will be granted up to 80 hours of paid sick leave, including any existing accrued sick time. Part-time employees will be granted the amount they are scheduled to work in a two-week time frame, including any existing accrued sick time. The following are additional allowable reasons qualifying as "sick and safety leave" during a public health emergency:

- Employee need to self-isolate and care for oneself because of a diagnosis or experiencing the symptoms of a communicable illness connected to the cause of the public health emergency or to care for a family member who has to self-isolate for those reasons.
- To see preventative care for, or medical diagnosis, care, or treatment for symptoms of a communicable illness that is the cause of the public health emergency or to care for a family member for those reasons.
- When a public official, health authority of employer (of the
 employee or the employee's family member) determined the
 employee's or employee's family member's presence on the job or
 in the community would jeopardize the health of others because of
 the individual's' exposure to- or exhibiting symptoms of- the
 communicable illness that is the cause of the public health
 emergency (whether diagnosed or not).
- Care of a child or other family member when the individual's child care provider is unable due to a public health emergency, or if the child's of family member's school or place of care is closed by a public health emergency (including if it is physically closed but providing remote instruction).
- An employee's inability to work because the employee has a health condition that may increase susceptibility to or risk of a communicable illness that is the cause of the public health emergency.

After the four-week period following a public health emergency, any remaining public health emergency leave time will be removed from the employee's leave total.

In the event that state or federal orders supersede these provisions,

such orders will govern if warranted. This policy and any accompanying regulations should be read and understood in conjunction with the entirety of the Colorado Healthy Families and Workplaces Act. Any definitions, requirements, or details of the CHFWA shall supersede this policy.

If PTO leave is to be used for a serious health condition, the birth or care of a newly-born child, the placement for adoption or foster care of a child, or to care for a covered military service member, certification will be required pursuant to the School's FMLA policy. Accumulated PTO leave must be used concurrently as part of the staff member's FMLA leave upon physician certification.

Accumulated PTO leave balances must be used concurrently with parental leave.

If employment is terminated before the employment agreement has been fulfilled, an adjustment will be made to PTO on a prorated basis based on the days scheduled versus the days worked. Accumulated PTO will be paid at the employee daily rate upon termination of employment.

Windsor Charter Academy will retain records for each employee for a twoyear period, documenting hours worked, paid sick leave accrued, and paid sick leave used. Windsor Charter Academy will provide documentation of the current amount of paid leave employees have (1) available for use, and (2) already used during the current benefit year, including any supplemental public health emergency leave. Information may be requested once per month or when the need for paid sick leave arises.

Windsor Charter Academy will not require disclosure of details relating to domestic violence, sexual assault, or stalking or the details of an employee's or an employee's family member's health information as a condition of providing paid sick leave. Any health or safety information possessed by Windsor Charter Academy regarding an employee or employee's family member will be maintained on a separate form and in a separate file from other personnel information; be treated as confidential medical records; and not be disclosed except to the affected employee or with the express permission of the affected employee.

Use of PTO for a reason qualifying as sick and safety leave will not be counted as an "absence" that may result in termination or any other kind of adverse action. An employee will not be required to find a substitute or job

coverage when taking paid leave for a reason qualifying as sick and safety leave. If an employee separates from employment and is rehired within six months after the separation, the employee will have reinstated any paid sick leave (up to a maximum of 48 hours) that the employee had accrued but not used during the employee's previous employment.

4. Parental Leave of Absence

Parental leave of absence is available to all full-time personnel. Parental leave may be taken to provide care for a newly born, adopted or foster- placed child.

Parental leave of absences are unpaid and intended to supplement leave available under the Family and Medical Leave Act (FMLA). Accumulated PTO leave must be used concurrently with parental leave of absence.

Parental leave of absence may be granted for a maximum of one school year; however, return date shall be designated as the beginning of a semester.

When a staff member returns to duty from a parental leave of absence of one year or less, the employee will be reassigned to their previous position. Salary, position and unused accrued PTO leave earned prior to the leave of absence shall be retained. Staff employment status as defined in CRS 22-63- 101 will not be altered as a result of this leave.

A staff member requesting parental leave shall submit a written request to the Executive Director at least 30 calendar days prior to the commencement of the leave. The request shall be accompanied by a physician's statement giving the expected date of delivery.

The beginning date and length of parental leave shall be determined by the employee and his/her supervisor, subject to approval by the Executive Director.

An employee whose parental leave extends over the summer months and who expects to return for the opening of school shall notify Windsor Charter Academy of their intent to return by April 1 preceding the ensuing school year.

5. Professional Leave

Professional leave by the definition of this policy shall apply to staff who

plan to be absent from their regular duties to attend educational conventions, conferences, clinics, seminars, or other activities related to their duties or responsibilities.

Application to attend any of the above-mentioned activities shall be initiated by discussion with the Executive Director, taking in to consideration the following:

- 1. Will the experience be worthwhile to the employee and subsequently enhance or improve education within Windsor Charter Academy?
- 2. Is a satisfactory substitute available to assume the duties of the employee while they are on professional leave? Have adequate plans been made by the employee to ensure that the substitute is able to carry on a qualified program of instruction?
- 3. The applicant shall outline a summary of expenses to be borne by Windsor Charter Academy, including the number of days a substitute will be required.
- 4. The application shall be finalized in writing and submitted in advance of required registration deadlines to obtain administrative approval. This means that the application shall have been made to the Executive Director sufficiently in advance of the required registration date to obtain approval as may be required by Executive Board policy.

Approval or rejection of the application shall be made by the Finance Director with an administrative recommendation. The Finance Director will consult with the Executive Director prior to approving or rejecting the recommendation.

Appropriate reports shall be made to the Executive Board from time to time by the Executive Director about the number of leaves approved for staff as well as the purpose and cost of each activity.

6. Worker's Compensation Benefits

Employees temporarily absent from work and unable to perform their duties as a result of a work-related injury for which they are eligible for worker's compensation benefits, will be paid their full salary (until the individual employee's PTO leave is exhausted) less the amount of any worker's compensation payment benefits, or awards made for temporary

Policy GCC

disabilities due to said injury, during the period of such temporary absence from the date of said injury. If the employee is entitled to any PTO leave benefits from Windsor Charter Academy in addition to that employee's salary, the amount of the additional PTO leave benefits shall also be reduced by the amount of any worker's compensation received by the employee. Employees receiving worker's compensation benefits are not eligible to use PTO leave bank time.

The Executive Board shall have the right to have such employee examined by a physician designated by the Board to assist in determining the length of time the employee is temporarily unable to perform duties, and that the disability is attributable to the injury involved.

ENROLLMENT AT WINDSOR CHARTER ACADEMY SCHOOLS

Students shall be considered for admission without regard to race, creed, color, national origin, sex, sexual orientation, marital status, religion, ancestry, or disability.

Waiting Lists

The waiting list is determined by the date and time that a completed Letter of Intent is submitted to the Windsor Charter Academy registrar.

District Residency

Proof of residency for in-district or out-of-district status will be provided to Windsor Charter Academy at the time of submission of Letter of Intent. If a parent/guardian has a change of residency from out-of-district to in-district prior to admission to Windsor Charter Academy, their Letter of Intent date will be changed to reflect the day in-district documentation is provided and they will be added to the in-district waitlist appropriately.

Age Requirement

An applicant must be five (5) years of age by August 15th for admission to kindergarten. Letters of Intent will not be accepted for unborn children.

Letter of Intent

Parents/guardians of the applicant are responsible for updating the Letter of Intent, i.e. notifying the registrar of change of address, phone number, etc. If Windsor Charter Academy cannot contact an applicant's family due to change of contact information, the school is not responsible to search for the applicant's parent guardian. The applicant will be removed from the waiting list.

Lottery Procedures

- 1. The Lottery has five tiers for each grade.
 - Tier ONE for each grade includes students of staff members and Executive Board members.
 - Tier TWO for each grade includes students residing in the Weld Re-4 School District with a sibling attending Windsor Charter Academy.

- Tier THREE for each grade includes students residing out of Weld Re-4 School District with a sibling attending Windsor Charter Academy.
- Tier FOUR for each grade includes students residing in the Weld Re-4 School District without a sibling attending Windsor Charter Academy.
- Tier FIVE for each grade level includes students residing out of the Weld Re-4 School District without a sibling attending Windsor Charter Academy.
- 2. Children of current staff will be placed in a grade level for enrollment.
- 3. Siblings of current students will be placed in a grade level for enrollment.
- **4.** From the remaining spots available at each grade level, 50% of the openings will be filled on a first-come first-served basis based on the Letter of Intent date of submission, beginning with Tier One and moving through Tier Five to fill the 50% of spots. Grade-level openings will be filled beginning with 12th grade and moving down. As families accept positions in upper grades for their students, siblings of that family move to Tier One or Tier Two depending on residence.
- **5.** Once children of current staff, siblings of current students, and 50% of openings have been filled from the Letter of Intent on a first-come, first-served premise from the Letter of Intent date of submission, the lottery process will begin on the third (3rd) Tuesday in January of each year to fill the remaining open spots, beginning with Tier One and moving through Tier Five.

After open spots are filled, the waiting list in grades that have no more remaining openings will be established. Siblings of students enrolled in other grade levels will be placed at the front of each grade level waiting list in the order in which their enrolled siblings were drawn or enrolled. In the event that multiple siblings apply in the same grade level, the order will be decided by a lottery drawing involving only the siblings in that situation. All names of the remaining applicants will be drawn at random. Each will be placed on the waiting list in that order until every name is drawn.

48-Hour Decision

If enrollment is offered to an applicant, the school requires a decision within 48 hours. If enrollment is not accepted or confirmed with in 48 hours, the applicant will be removed from the waitlist. If an applicant wishes to reapply, a new Letter of Intent must be completed and the applicant will be placed on the waiting list based on the date and time recorded on this new form.

Mid-Year Decision

If enrollment is offered during the school year, the applicant will be allowed to

Policy JFB

either accept or decline the available position. If the position is declined related to mid-year concerns, the applicant will retain their position on the waitlist and the next available applicant will be offered the mid-year position until the position is filled or the wait list has been exhausted for the available position.
